Communication information

Name: 09. Equivalent practices to greening Member state: Bulgaria  
Business process: Direct support Status: CREATED  
Sector: Horizontal  
Reference period: 01/01/2015 to 31/12/2020  
Encoding period: 30/06/2014 08:00 to 01/08/2014 23:59  
Description: Member States shall notify the Commission the decisions taken regarding the application of equivalence to greening practices in accordance with Article 43(8) of the Regulation (EU) No 1307/2013 and Article 10 of Commission Implementing Regulation (EU) No 641/2014.

Legal base	10 rows	
Legal base type	Reference	Article/Paragraph
Parliament and Council regulation	R 1307/2013	43(8)

### I. Which equivalent practices the Member State intend to apply?

The MS shall indicate which practices, as specified in Article 43(3) of Reg. (EU) 1307/2013, it intends to apply.

#### Equivalent practices

### II. Certification Schemes – 1. All obligations to be carried out with certification schemes?

In case in question I the MS answered to apply equivalence through certification schemes fill the following section, otherwise leave it empty. Choose Yes if the farmers shall carry out all of their relevant obligations for greening in accordance with certification schemes, as referred to in Article 43(6) of Reg. (EU) No 1307/2013.

#### All greening obligations carried out in accordance with certification schemes?

### II. Certification Schemes – 2. Main information

For every certification scheme applied indicate the name, a progressive number and if the scheme is national or regional,. The number will be used as a reference in all the other tables on certification schemes.

Title of certification scheme	Reference number of certification scheme	National/Regional

### II. Certification Schemes – 3. Definition of regions for regional certification schemes

In case in question I the MS decides to apply equivalence through certification schemes and in question II.2 some certification scheme have to be applied at regional level fill the following section, otherwise leave it empty. The list of the regions and the criteria for their definition are requested in this section. In the criteria, indicate in particular at which level (NUTS or LAU) the regions are referring or are equivalent to (e.g. NUTS 3). In the table "Definition of regions" indicate the reference number of the scheme (the same provided in table II.2), the name of the regions where the scheme is applied and

**II. Certification Schemes – 3. Definition of regions for regional certification schemes**  
any useful additional specific information.

Reference number of certification scheme	Region name	Additional specific information

**II.3 Criteria used to define the regions**

Criteria used to define the regions

**II. Certification Schemes – 4. Choices of equivalent practices for certification schemes**

In case in question I the MS apply certification schemes, fill the following section, otherwise leave it empty. "Greening practice – Equivalent and standard greening practice": select one equivalent practice from the drop-down. Equivalent practices have to be chosen at least for one of the three standard practices: if equivalence is not applied for some of them, indicate "standard greening practice". Use the choice "Additional general information" to insert a more general description for the practices of the scheme. "Choices on requirements": indicate the choices regarding requirements specified in Annex IX of Regulation (EU) 1307/2013. "Certification scheme reference number": number provided in section II.2. "Chapter to terms of reference": provide the reference (number of chapter-paragraph) to the terms of reference uploaded in section II.6. "Certification practice description": provide a description of practices directly related to the equivalent practice selected.

Greening Practice (Art. 43(1)) - Equivalent and Standard greening practice (Annex IX)	Choices on requirements (Annex IX)	Reference number of certification scheme	Chapter of terms of reference	Certification scheme practice description

**II. Certification Schemes – 5. Conversion - weighting factors for equivalent EFA**

As stated in the footnote to the Annex II of the Commission Delegated Regulation (EU) No 639/2014, the conversion and weighting factors shall also apply to features included in the equivalent practices as listed in Section III of Annex IX of Regulation (EU) No 1307/2013, that are the same as the features listed in Annex II of the Commission Delegated Regulation. Indicate in this table which is the MS decision on factors (Factors not activated, both factors activated, only conversion factor, only weighting factor) and the numeric values of the factors applied.

Greening Practice (Art. 43(1)) - Equivalent and Standard greening practice (Annex IX)	Choices on conversion and weighting factors - equivalent EFA

**II. Certification Schemes – 6. Complete terms of reference of the certification scheme**

Upload files with the complete terms of reference of the scheme. It is possible to upload one or more files for every certification scheme. "Certification scheme reference number": number provided in section II.2.

Reference number of certification scheme	Description of the uploaded file	Upload file
		No document selected

**III. Rural development – 1. Choices on rural development commitments**

In case in question I the MS apply equivalence through RD commitments fill the following section, otherwise leave it empty. In case more equivalent practices are selected for every RDP, repeat the information requested for RDP, type of operation, commitments (last three fields). "Greening practice – Equivalent practice": select one equivalent practice from the drop-down. If a more general description is needed, use the choice "Additional general information". "Choices on requirements": indicate the choices of the MS regarding requirements specified in Annex IX. "Rural Development Program": select the RDP which contain the measure used (measure 214 for period 2007-2013 – measure 10 for period 2014-2020). The year present in the RDP code identifies the programming period. "Type of operation reference": indicate the type of operation to whom the commitment is referring. "Commitments description": provide a description of commitments directly related to the equivalent practice selected.

**III. Rural development – 1. Choices on rural development commitments**

<b>Greening Practice (Art. 43(1)) - Equivalent practice (Annex IX)</b>	<b>Choices on requirements (Annex IX)</b>	<b>Rural Development Program</b>	<b>Type of operation reference</b>	<b>Commitments description</b>

**III. Rural development – 2. Conversion - weighting factors for equivalent EFA**

As stated in the footnote to the Annex II of the Commission Delegated Regulation (EU) No 639/2014, the conversion and weighting factors shall also apply to features included in the equivalent practices as listed in Section III of Annex IX of Regulation (EU) No 1307/2013, that are the same as the features listed in Annex II of the Commission Delegated Regulation. Indicate in this table which is the MS decision on factors (Factors not activated, both factors activated, only conversion factor, only weighting factor) and the numeric values of the factors applied.

<b>Greening Practice (Art. 43(1)) - Equivalent and Standard greening practice (Annex IX)</b>	<b>Choices on conversion and weighting factors - equivalent EFA</b>

**IV. Additional comments (if any)**

Indicate here any other comments, including references to national legislation if needed.
